

If you...

- ◇ **don't have time in your busy life to put in long hours volunteering**
- ◇ **want 100% of your donations to go directly to a charity in Cape May County**
- ◇ **want to make an immediate, direct and positive impact on our area...**

Then this group is for you!

100+ Women Who Care Cape May County is looking to make a difference in Cape May County by finding at least 100 women to each contribute \$100 three times a year (\$30,000+ annually as a group) to local charities. All charities and organizations up for consideration must use our contributed funds in the Cape May County area. The idea is to keep it local and have an impact that WE can SEE in our communities!
